

SISEP Factsheet

Effective implementation capacity is essential to improving education. The SISEP Center supports education systems in creating implementation capacity for evidence-based practices benefitting all students, especially students with disabilities. Project funding is by the Office of Special Education Programs.

Quick Facts

The SISEP Center provides States and Districts with:

- Intensive technical assistance for establishing an effective and affordable infrastructure for implementation of education innovations.
- Coordinated and shared professional learning via webinars and communities of practice bridging States and Districts.
- Online and off-line coaching, teaching and learning about implementation, scaling, and system reinvention.
- Tools and resources for conducting work, including formative and summative evaluations tools for action planning, monitoring, and outcome assessment.
