Notes, News, and Discussion from the  
State Implementation & Scaling-up of Evidence-Based Practices Center

January 2018

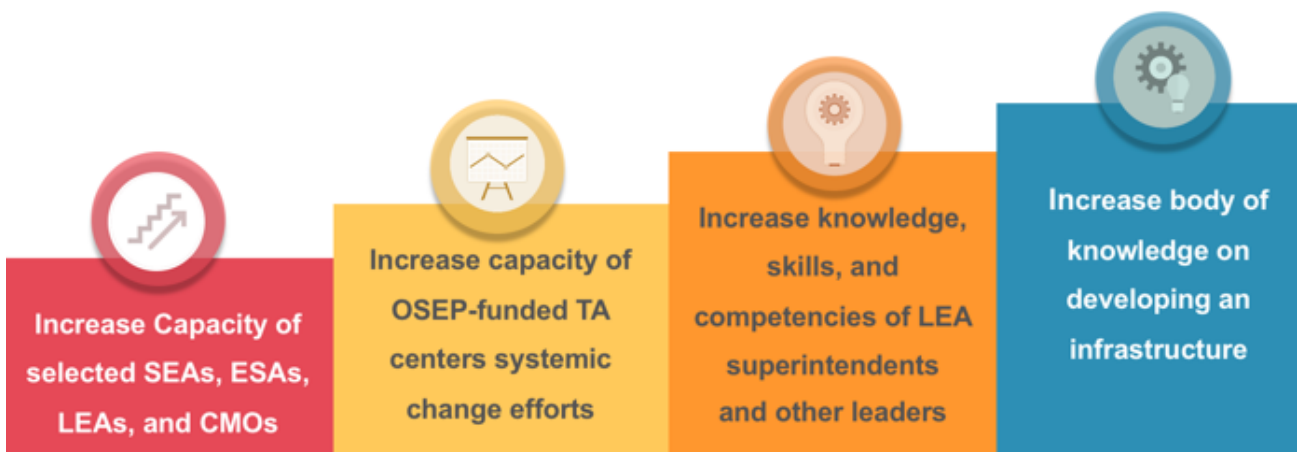

## SISEP III Kickoff!

Our first eNote of 2018 is to announce that **SISEP is kicking off the next five years of learning with funding from the Office of Special Education Programs (OSEP).**

## OSEP - SISEP III Goals 2018-2022

To support implementation of instructional and leadership practices that lead to improved outcomes for students with disabilities, the SISEP center will...

Note: SEAs – State Education Agency, ESA – Education Service Agency, LEA – Local Education Agency, and CMO – Charter Management Organization

## Achieving these Goals

Across these five years of funding, we will continue our **intensive** collaboration with our four current active states while also exploring potential partnerships with additional SEAs. **Targeted** supports will focus on developing knowledge and skills for sustainable systemic change with other TA centers, partnerships with superintendent organizations, and charter management organizations. Finally, **Universal** supports focus on-going improvements to the AiHub and continued refinement of our capacity assessments. Keep an eye out for these developments!

**We hope that you are as excited as we are to see what we  
learn and accomplish together in the next five years!**
